

ROB ROGERS, FAIA

PARTNER

Rob Rogers, founder of Rogers Partners, creates institutional and cultural buildings that are civic work. Believing that even a single building is a piece of urban design, his work assertively and elegantly combines urbanism, landscape and architecture.

SELECTED PROJECTS

Buckhead Park Over GA400, Atlanta, GA - An inter-woven public realm that enhances connectivity and quality of life
The New St. Pete Pier, St. Petersburg, FL - Signature pier with a multitude of flexible programs and experiences
Henderson-Hopkins School, East Baltimore, MD - K8 as neighborhood regenerator
